CHAPTER 1 – GENERAL UNIFORM POLICY

1. Intent
   A. The Texas A&M Corps of Cadets Uniform Policy (detailed herein) provides guidance for the proper wear of the cadet uniform. The wearing of the uniform by the members of the Corps of Cadets is a vital part of our proud history and tradition, as well as a visual reminder of who we are and what we represent on this campus.
   B. Recommendations concerning the content of this Standard Order are invited and may be submitted to the Corps Commander via the Inspector General chain. Requests will include a cover letter explaining the recommended change and supporting documentation that includes history, traditions, depictions, diagrams, or photographs, as applicable. The Corps Commander will consolidate recommendations for changes and submit them to the Commandant for consideration via the Assistant Commandant for Operations and Training.
   C. Wearing the uniform is a matter of personal pride. Cadets must maintain their uniforms in a neat and serviceable condition. By their appearance, cadets set an example of pride through strict conformity with this regulation. It is incumbent upon all cadets to wear the uniform correctly, and ensure peers and subordinates alike do the same.

2. General Guidelines
   A. These guidelines are not all encompassing. Cadets must familiarize themselves with all uniform regulations, abide by them, and seek guidance or clarification from appropriate authority when necessary.
   B. Uniforms must be properly fitted, clean, and pressed at all times. Uniform shoes and Senior Boots must be highly shined. The term “properly fitted” indicates a sharp military appearance with shirt, blouse and trousers properly fitted to the body size and shape (missing buttons, too small shirt, and incorrect trouser length and/or a waist band are common problems). Shirt tucks are required when wearing the Class B uniform.

(1) The Corps Commander prescribes the Uniform of the Day (UOD). The Class B Uniform is the default UOD.

(2) Members of the Corps of Cadets are authorized to wear only uniforms, insignia, and awards and decorations outlined herein. Unit symbols/shirts of non-active units will not be worn at University/Corps activities (e.g., deactivated outfit T-shirts at March to The Brazos, Yell Practice, etc.).

(3) Cadets are required to wear all ribbons/medals they earn as a cadet. Cadets are not allowed to decide which ribbon(s) are worn. Ribbons will be worn with the Class B uniform and the Midnight uniform. Medals are worn when wearing the Class A uniform. The Corps Commander may authorize medals be worn on Midnight uniform for a special event. All cadets at the event wearing the Midnight uniform must be the same (all medal or all ribbons).

(4) All cadets will wear a TAMU patch in lieu of the ROTC patch upon joining the Corps. When a cadet receives an ROTC scholarship or contracts for a commission with an ROTC branch (Military Science, Naval Science, or Aerospace Studies), the
Uniform Distribution Center will exchange/issue a uniform shirt with a patch that identifies their ROTC program. Cadets enrolled in the Platoon Leaders Course (PLC) program will wear the PLC patch. Cadets enrolled in the Navy Nuclear Propulsion Officer Candidate Program and the Navy Civil Engineering Corps Program will provide appropriate patches to the UDC for sewing on the uniform.

(5) Mixing the uniform with civilian clothing is not authorized, except for low quarter shoes, combat boots, and the raincoat because they are generic clothing items. Senior boots will not be worn with civilian clothing as they are a distinct cadet uniform item. See the guidance regarding “class pullout pictures.”

(6) Cadets will use common sense regarding the wear of the uniform when outside their rooms in the dorm. Do not loiter in the hallway in partial uniform.

(7) All cadets are authorized to maintain their uniform with brass and other accessories ‘wired’ for wear. No cadet will be made to ‘de-wire’ his/her uniform as a standard practice upon returning to the dorm, while in their hole during a break in classes, or in the evening after daily/evening activities.

(8) Females are required to wear trousers at football march-ins, Corps Reviews, and Military Proficiency Inspections. In all other cases, all females (regardless of class) may wear trousers or skirts.

(9) Cadets will adhere by the hair and grooming standards outlined in this document. Shorter or more restrictive requirements are prohibited.

(10) Cadets in uniform are authorized to carry black backpacks or book/shoulder bags in their left hand, on their left or right shoulder, or on both shoulders. Bags and briefcases must not interfere with rendering a salute or whipping out.

(11) All cadets are authorized to wear conservative sunglasses in uniform when outside. Lenses or frames with conspicuous initials, designs, or colors, as well as reflective lenses, are prohibited. Sunglasses will not be worn inside or in formation. Cadets will not hang glasses or glass cases on their uniform, let the glasses hang on a restraint around the neck, or wear the glasses on the top of the head when in uniform. As a courtesy, cadets will remove their sunglasses when meeting or talking with someone.

(12) All headgear should fit naturally on the head and remain in place during normal activities. The leather visor of the Service Cap will be highly polished to take on a marbled appearance but not to the degree that the brim is no longer brown in color. The edges of the Service Cap will not bent over/crushed to take on an ‘Old Army’ appearance. Campaign hats, other than those worn by PMC cadets, must have a crisp flat brim, and the crown will not be deformed.

(13) Cadets will not place their hands in their pockets for an extended period of time. Pocket fasteners (buttons) must be fastened at all times. Seniors need to pay close attention to the pockets of their boot pants. Wallets and other items may be carried in uniform pockets but nothing is allowed to stick out of the pocket. Large rectangular leather wallets that protrude from pockets are not authorized for uniform wear.

(14) Cold Weather. Cold weather uniform items include a black jacket and gloves for the class B uniform and combinations of sweatshirt, sweatpants, black watch cap, and
black gloves for physical training. As the temperature approaches 55 degrees Fahrenheit or colder, the Corps Commander, in consultation with Operations & Training, will determine the appropriate cold weather uniform items for various formations and activities. Cadets must check cadets.tamu.edu to ensure they wear the correct uniform.

(15) Raingear. The raincoat may be worn with any uniform. The campaign hat or garrison cap will be worn with the raincoat. The OCP cap will be worn when wearing raingear with the Class C uniform. Cadets may carry / use an umbrella during inclement weather when wearing the uniform. The umbrella must be black, plain, and absent of logos or designs. Umbrellas are not authorized for formation.

(16) Bathrobes. All cadets will wear a bathrobe when going to/from the shower/restroom. As a minimum, PT shorts (and bra for females) and shower shoes will be worn. No additional items will be required to be worn when going to/from the shower or restroom. Robes must be kept closed with the sash secured around the waist when in the hallway. Robes must extend at least past the mid-thigh. Robes may be any color other than burnt orange.

(17) Cadets shall not operate a bicycle, scooter, or skateboard when in uniform.

(18) Cadets are responsible for maintenance and dry cleaning of their assigned uniforms.

(19) No article of the Texas A&M cadet uniform will be worn by anyone other than a current cadet in the Corps. This includes dates and former cadets.

(20) The use of chewing gum, any tobacco product or tobacco substitute while in uniform, or the consumption of food or beverage while walking in uniform or standing in formation are prohibited. These activities detract from an appropriate military presence.

(21) Cadets will not use a cell phone or other electronic device when walking in uniform (includes texting, talking or surfing the net). The use of earbuds or headphones to listen to an electronic device are not authorized when wearing a uniform except when seated and studying. Cell phones and electronic devices will not hang on the uniform or belt.

(22) Alcohol may not be consumed while in uniform without prior approval of the Commandant.

C. On-Campus Wear

(1) All members of the Corps of Cadets will wear the cadet uniform on campus as indicated below. Cadets will wear the uniform they are authorized based on their cadet status. (For example, fish will not wear an upperclass uniform as a means of reward of privileges).

(2) Cadets in any Corps uniform are subject to inspection at all times and will comply with all provisions. Cadets in general, and especially cadet leaders, will inspect and correct other cadets who fail to shave or look presentable when going to class or wearing the uniform. This includes on-the-spot corrections as long as the cadet is not caused to be late to class.
(3) Appropriate headgear will be worn with the uniform at all times when outside.

(4) Uniforms will be worn in accordance with the following:

a. Campus Buildings. The uniform of the day will be worn in ALL campus buildings (excluding dormitories) to include the Military Science Building (Trigon), the Sam Houston Sanders Corps Center, the Leadership Learning Centers (when attending class), the Memorial Student Center (MSC), the Association of Former Students Alumni Center, and the Hagler Foundation Center.

b. The following guidance is provided regarding the wear of the cadet uniform at student organization meetings and functions.
   i. Cadets may join any student organization. If the organization conducts their meetings in a building on campus requiring the wear of the cadet uniform, the cadet must wear the uniform of the day.
   ii. If the organization is controversial or political in nature, cadets will neither appear in uniform at a public function for the organization nor appear in uniform in organizational pictures/social media nor be identified as a member of the Corps of Cadets. Attending functions conducted outside of campus buildings in civilian clothing where the cadet is acting as a student at Texas A&M is authorized.
   iii. In general the cadet is prohibited from doing anything which might give the appearance of the Corps of Cadets supporting or promoting the political/controversial organization. This guidance is similar to what the military services follow for service members.
   iv. Cadets in a contract or scholarship status with a ROTC program may have further restrictions placed on their involvement in specific student organizations. ROTC guidance will not counter the uniform guidance provided above.

c. Cadets employed as student workers on the Texas A&M University campus will wear the uniform of the day unless otherwise dictated by their employer.

d. Cadets required to wear “Business Attire” for a class will wear the seasonal Class A uniform or midnights for whitebelt cadets.

1) Corps and ROTC special unit uniforms will be established by the respective unit commander as authorized by the Deputy Corps Commander.

2) The Corps/Unit athletic uniform is acceptable for lunch and free flow chow. The Corps athletic uniform is defined as Corps/unit sweats (as required), the Corps PT uniform provided by the Corps of Cadets Association, or the official unit PT uniform and athletic shoes and socks. The PT uniform must be clean and serviceable. The t-shirt will be tucked in. If sweatpants are worn (cold weather), a corresponding sweat shirt or unit-issued hoodie must also be worn. Nicknames on shirts will not be vulgar, obscene, or otherwise uncouth.

3) Cadets engaged in a scheduled intramural activity or unit physical fitness training immediately before chow may wear their unit PT uniform for breakfast or evening meals.

4) Cadets in excessively wet or soiled uniforms or PT gear will not enter Duncan Dining Hall. Cadets not in an appropriate uniform for Duncan Dining Hall will be directed to leave. Dining Services employees will normally coordinate this direction through the appropriate cadet commander.

i. Wear of Class C Uniform. Class Cs are approved for wear in certain locations under certain approved conditions and purposes. The Class C is not a replacement for the Uniform of the Day.

1) Class C uniform is authorized for specific academic wet labs (see below). A cadet must submit a Military Letter and receive approval to wear the Class C uniform to the ‘wet’ lab. Cadets must have an approved Military Letter, and a copy of their schedule on their person (Electronic verification is acceptable) when wearing the Class C uniform to class. These regulations apply to both male and female cadets.

C. The belt is worn over the Class “A” or over the Bravo trouser covering the web belt/buckle around the natural waist (between the navel and hip bones). The shoulder strap is worn over the right shoulder tightened/sized to lay flat and stable but not restricting movement with the buckle centered in front. The sword carrier attachment is attached to the belt at a point over the highest portion of the hipbone, generally along the seam of the left side of the coat. The belt and shoulder strap shall be clean, and showing no scuff marks or discoloration. If required, the belts and strap should be brush-polished with medium brown leather crème or polish. The buckle and catch shall be highly polished and showing no tarnish.

D. The Sam Browne Belts are only loaned, as needed, to commanders by the Corps Center. The belts will be added to the commander’s inventory and must be returned to the Corps Center when the cadet leaves the Corps. The issued belts are not pass downs and should not be treated as such. Staff officers must individually purchase or borrow this item from other sources.

3. Mourning Bands

When authorized by the Commandant, cadets may wear a black felt band on their left shoulder around the Major Unit Shield (on top of the epaulet) while in mourning for the loss of a cadet buddy or family member. The mourning band will be worn no more than 30 days after the individual’s death, or until SilverTaps, whichever is later. Neither a mourning medal nor ribbon (black in color) are authorized.
4. **Footwear**

Headgear must be worn outdoors at all times when in uniform. Headgear will not be worn in any building on campus including dormitories. All headgear will be worn straight and not cocked.

A. **Service Cap.** Can be worn with Class A and AA uniform and midnights. The front visor may be marbled with black polish but will not be excessive to the point where one cannot tell the visor was originally brown. Seniors wear a gold officer’s braid on the front of the hat. The inside mesh netting will not be replaced by any items nor will anything be added to the Service Cap in order to cause the edges of the cover to bend.

B. **Campaign Hat.** Will be worn by all cadets when their unit is assigned Duty Company. The Campaign Hat can be worn as rain gear with class B or C uniforms and as directed by the Corps Commander. The campaign hat may also be worn with the midnight uniform (e.g.; O.D.s at football games). The campaign hat will have a distinctive braid according to the following class designations:

E. Midnight Yell Pot. Is worn to midnight yell by the junior class members who are on the track of Kyle Field. The outside may be painted but will NOT include:

(1) Unapproved or inappropriate nicknames.

(2) Offensive designs, drawings or symbols.

F. Religious Items and the Cadet Uniform.

(1) Head Gear. Religious headgear may be worn at all times while in uniform as long as the headgear meets the following criteria:

a. The headgear is subdued in color (generally black, brown, green, dark or navy blue or a combination of these colors) and bears no writing, symbols or pictures.

b. Headgear that meets these criteria is authorized irrespective of the faith group from which it originates.

c. Religious headgear will not be worn in place of uniform headgear when uniform headgear is required.

(2) All other religious items (if worn) must be covered by the uniform. When a specified uniform is designated for a Corps event (march-in, review, parade, inspection, etc.), an individual cadet cannot modify the uniform because of the need to wear a religious article.

6. Unit and Rank Insignia

The following tables show the ranks of cadets in the Corps of Cadets
7. Accolades

A. The awards below are the only Corps awards authorized for wear on the cadet uniform. Military service awards may be worn on the cadet uniform by eligible cadets. These awards must be worn according to armed forces’ regulations. The wearing of an award not authorized by the issuing authority is considered an honor violation. Combat patches are authorized.

B. Levels of Accolades. Currently, cadets wear four different types of accolades (cords, medals, ribbons and pins/badges) on their uniform to symbolize involvement in a corps organization, involvement in a Corps special unit, or an individual award based upon merit. These accolades are differentiated based upon the following criteria (in descending level):
Award Citation Cords. Wearing a cord is the most visible way a cadet or unit has to demonstrate proven excellence in the Corps of Cadets. Cords are authorized for Unit Awards and for cadets involved in specific Corps Special Units. Military service cords, when awarded, are authorized for wear. The following Unit Awards are awarded a citation cord and may be worn by all members of that unit during the academic year following the awarding of the Unit Award. For units that earned more than one cord for an academic year, it is the Commander’s responsibility to standardize the cord worn by the outfit members for Corps events (i.e., March-ins and Reviews).

a. The General George F. Moore Award for the Outstanding Unit
b. The Taylor Gillespie Award for the Most Improved Unit
c. The George P. F. Jouine Award for Scholastic Achievement
d. The Major General Bruno A. Hochmuth Award for Military Achievement.
e. The J.J. Sanchez Award for Recruiting and Retention
f. The Commandant’s Award for University Activity
g. The Robert M. Gates Public Service Award

Organizational Cords. In the same manner, a citation cord may be worn to designate

a. A senior commander (Corps Commander, Deputy Corps Commander, Corps Chief of Staff, and Major Unit Commander)
b. Cadet’s participation in the Ross Volunteer Company, Fish Drill Team, Parsons Mounted Cavalry, and the O. R. Simpson Honor Society. Once earned, the RV and FDT cords are worn by cadets until they leave the Corps. Only current and active members of Parsons Mounted Cavalry and O. R. Simpson Honor Society are authorized to wear their cord.
c. These units are distinguishable from other Corps and ROTC organizations and from various off-the-quad organizations based on the unit’s commitment to demonstrating the best aspects of the Corps of Cadets while also upholding our Corps Values of Honor, Integrity, Discipline, Courage, Respect and Selfless Service. Cadets who are dismissed from an organization (whether for grades or disciplinary reasons) will turn in their cord, medal and ribbon.

Outstanding Achievement Medals. Military medals are symbols of an individual’s own personal achievements. Within the Corps of Cadets, medals are authorized for past and present participation in the Ross Volunteer Company, Parsons Mounted Cavalry, the Fish Drill Team and the O. R. Simpson Honor Society. Medals are also awarded and authorized for wear by cadets for individual awards.

Ribbons and Pins. Ribbons and pins may be used to demonstrate a cadet’s specific involvement in an on or off-the-Quad organization. The Unit and Individual Award cords and medals can also have an accompanying ribbon.

8. Medals and Ribbons

A. Medals or ribbons (not both at the same time) will be worn using an order of precedence. Ribbons are normally worn for all occasions. Medals are only worn on the Class A uniform for formal occasions. Ribbons are worn above the left pocket and medals are
worn over the left pocket. For all decorations and awards, the place of honor is on the wearer’s right and at the top. The order of precedence then is from the wearer’s right to left and from top to bottom.

B. The top row of awards will be the only row that may have less than three awards. Only three rows of ribbons and two rows of medals may be worn. The top of the second row of medals will be placed at the bottom of the drapes of the first (top) row.

C. Stars will be placed on the award to designate the cadet has earned the award more than once (e.g.; one star for 2nd award, two stars 3rd award, etc.). No more than four stars will be placed on any single award. The star placed on the ribbon will be gold in color, unless specifically approved /authorized to wear a different color star. An additional ribbon with stars to indicate a 6th or 7th award is not authorized.

D. Some awards have ribbons and medals, others have only ribbons. Military awards (ribbons and/or medals) will not be worn at the same time as a cadet award is worn. ROTC awards are authorized to be worn with other cadet awards. Ribbons that have accompanying medals are denoted below. No other medals are authorized, even if drapes are available for purchase.

E. The following chart contains the description and requirements for ribbons, in order of precedence. Ribbons with authorized accompanying medals are denoted with an asterisk.

CHAPTER 7 – MALE GROOMING STANDARDS

1. **Hair**

   A. Hair will be neat and closely trimmed. No faddish or eccentric wearing of head, facial, or body hair will be permitted. The hair may be clipped at the edges of the side and back but must be evenly graduated all the way around the head (blended or faded and not edged as an outline) from zero length at the hairline in the lower portion of the head to the upper portion of the head. The hairline will be tapered from “0” for all cadets regardless of class and will not be blocked or rounded. The back and sides of the head below the hairline may be shaved to remove body hair. (See figures 1 and 2 below)

   (1) Freshman. First Semester fish will have a maximum of \( \frac{1}{4} \) inch on top with five-finger whitewalls. Second Semester fish are allowed a maximum of \( \frac{1}{2} \) inch with five-finger whitewalls. Hair must be tapered from “0” (not blocked or rounded).

   (2) Sophomore. First Semester Sophomores will have a maximum of \( \frac{1}{2} \) inch on top with four-finger whitewalls. Second Semester Sophomores are allowed a maximum of \( \frac{3}{4} \) inch with four-finger whitewalls. Hair must be tapered from “0” (not blocked or rounded).

   (3) Junior. The top will be a maximum of 1 inch with 3 finger whitewalls. Hair must be tapered from “0” (not blocked or rounded).

   (4) Seniors. The top will be a maximum of 2 inches with 2 finger graywalls. Hair must be tapered from “0” (not blocked or rounded).

   (5) Shaved heads or other extreme styles are prohibited, although exceptions are allowed when approved by the Cadet Training Officer via a military letter.

   B. Hair will be styled so as not to interfere with the proper wear of uniform headgear. Hair which protrudes from beneath properly worn headgear in an unpleasant or offensive manner is considered excessive, regardless of length. Male hair styles will conform to the natural shape of the head without eccentric directional flow, twists or spiking. One (cut, clipped or shaved) 1/8 inch wide or smaller, natural, narrow, fore and aft off centered part (placed no further than the outer corner of the eye and stopping before extending down the back of the head) is authorized. The following hair style types are considered eccentric and are not authorized (this list is not all inclusive):

   (1) Hair styling which include single patches of hair on the top of the head (not consistent with natural hair loss)

   (2) Hair styled to run as a strip down the center of the scalp (i.e. “Mohawk” fashion)

   (3) Hair styled to leave an unusually large open (bald) area on the top of the head (not consistent with natural hair loss)

   (4) Hair styles that are asymmetrical (unbalanced or lopsided) or have etchings of letters, signs or figures, are not considered natural in appearance.

   Braiding of the hair is not authorized for male cadets. Cadets are prohibited from wearing locks and twists in uniform. When used, hair gel/mousse should provide a conservative,
natural appearance. If applied, dyes, tints, bleaches and frostings, which result in natural colors, are authorized. The hair color must complement the cadet's complexion tone. Color changes that detract from a professional image are prohibited.

C. Sideburns will not extend below the top of the orifice of the ear, as indicated by the line A-A’ in Figure 1. Sideburns will not be styled to taper, flare or come to a point. The length of an individual hair of the sideburn will not exceed 1/8 inch when fully extended.

D. Facial Hair. The face will be clean-shaven, except for eyebrows, and eyelashes. A clean shave is required for the Academic Day, and for every outfit function and anytime outside the Academic Day while in uniform or serving an official capacity. Cadets will be clean-shaven at all times during the school year, to include weekends and while in civilian clothes (excluding Semester Break and Spring Break). Exception: Cadets in receipt of a documented medical chit directing no shaving due to a skin condition or other medical reason are allowed beard growth not to exceed ¼ inch. Cadets will keep the growth trimmed to the level specified and are not authorized to shape the hair growth (examples include, but are not limited to goatees, “Fu Manchu,” or handlebar mustaches).
2. Other
   
   A. Fingernails will be kept clean and neatly trimmed so as not to interfere with performance of duty, detract from military image or present a safety hazard. Fingernails shall not extend past the fingertips.

   B. Earrings will not be worn while in uniform or while attending any Corps-related function.

   C. Rings: One ring is permitted per hand. Rings will not be worn during band or physical training activities. If wearing gloves, cadets will not cut a hole in the glove to display the Aggie Ring.

   D. Necklaces may be worn with a cadet uniform (including the PT uniform) only if they are not visible (i.e., underneath the shirt neckline). Wristwatches and Fitness Band of a style consistent with a military appearance as well as a POW/MIA or medical alert bracelets are authorized for wear with the uniform. Wristbands, friendships bracelets, and other multicolored special purpose / worthy cause bands are not authorized in uniform.
CHAPTER 8 – FEMALE GROOMING STANDARDS

1. Cosmetics and Jewelry.
   Female cadets are authorized to wear cosmetics and jewelry in Class Bravos or higher. Cadets will not be denied this privilege, nor will these standards be modified or restricted to imply class distinctions.
   
   A. Cosmetics. If worn, will be applied conservatively and will be in good taste. Lipstick and/or nail polish is authorized in all uniforms, provided it is conservative. Exaggerated or faddish cosmetic styles are inappropriate with the uniform and will not be worn. Only black or brown mascara is permitted. No lip liner or lip frosts is authorized.
   
   B. Fingernails. Will be no longer than ¼ inch beyond the tip of the finger. Nail polish must complement skin tone and be conservative. Manicures that imitate natural nails are authorized for wear in all uniforms (i.e., French manicures and American manicures are authorized).
   
   C. Earrings. One set of gold, silver, pearl, or diamond earrings (posts) is permitted with Class AA, A, or B uniform. These earrings (one per ear) will not exceed ¼-inch in diameter, will fit snugly, and will not extend below the earlobe. Earrings are not authorized in the Class C uniform, physical training gear, or Cs & Ts uniform.
   
   D. Rings. One ring or ring set is permitted per hand. Rings will not be worn during band or physical training activities. If wearing gloves, cadets will not cut a hole in the glove to display the Aggie Ring.
   
   E. Necklaces may be worn with a cadet uniform (including the PT uniform) only if they are not visible (i.e., underneath the shirt neckline). Only wristwatches of a style consistent with a military appearance and POW/MIA or medical alert bracelets are authorized for wear with the uniform.

2. Hair
   Hair will be clean and neat. A female military hair style (see Figures 3 through 7) is required when in uniform. All cadets are permitted to wear their hair in the following fashion regardless of class year.
   
   A. Hair must extend at least 1 inch from scalp.
   
   B. Hair must be styled so as to prevent loose ends from extending away from the head.
   
   C. Hairstyles will not contain excessive amounts of grooming aid (i.e., gel or hair spray).
   
   D. Hair nets may be used but should be similar to hair color and texture and must be able to support and control hair.
   
   E. In no case shall the bulk of the hair interfere with the proper wear of Corps uniform headgear.
   
   F. Plaited or braided hair may be worn. Bangs may be worn if they are neat and do not touch either eyebrow.
G. Braids and singular ponytails may be worn down the center of the back in all uniforms, but length will not extend past the bottom of the shoulder blades when standing at the position of attention. The only exception for singular ponytail/braid length is while conducting tactical or physical training in the Class C or PT uniform. Ponytail/braid length will not hinder performance or create a safety risk. There is no minimum length for the wear of a ponytail or braid.

H. In all uniforms ponytail/braids will be worn centered in the back of the head (placement of ponytail/braid will not be on the side or top of the head), be wider than the width of the head, and will not interfere with proper wear of Corps uniform headgear.

I. Multiple braiding of the hair is authorized (Figure 3). When worn, multiple braids shall be of uniform dimension, small in diameter (approx. ¼ inch), show no more 1/8 inch of scalp between the braids and must be tightly interwoven to present a neat, professional, well-groomed appearance.

J. Conspicuous hair ornaments, such as ribbons, will not be worn. Pins, combs, and barrettes, similar in color to the individual’s hair color, may be worn while in uniform. Scrunchies are not authorized in uniform.

K. Unless worn in a braid or ponytail, hair may not fall below the bottom edge of the back of the uniform collar or hang down in the front covering the neck.

L. If the hair is dyed, it must look natural and complement the individual.

M. No Cadet will be restricted on their hairstyle while in appropriate civilian attire.

CHAPTER 9 – UNIFORM ISSUE, MAINTENANCE/EXCHANGE, AND TURN-IN

1. General Rules for Uniform Issue
   A. Cadets new to the Corps have until the end of Freshman Orientation Week (FOW) to report shortages or damaged clothing. Cadets are accountable for their initial issue following the conclusion of FOW. All new cadets receive a second issue of uniform items in September/October, prior to the Corps transitioning to winter uniforms. Summer garrison caps are ineligible for exchange after FOW.

   B. Cadets may exchange uniforms and uniform parts at the UDC. All items presented for exchanged must be dry cleaned and show no wear beyond fair wear and tear. Shoes/boots, hats and other expendable items are not eligible for exchange once worn.

   C. Uniforms are tagged with RFID chips and issued to a specific cadet. These tags match the clothing record of the cadet responsible for each item. **DO NOT remove or deface the RFID tags.**

   D. Cadets may not return items issued to other cadets, nor may they purchase items not issued to them.

   E. The UDC will not accept items with missing or defaced RFID tags.

   F. Do not exchange uniforms with other cadets. Do not loan uniforms to other cadets or non-cadets.

   G. **DO NOT ALTER UNIFORMS.** If there is a question concerning fit, return the item to UDC for alteration or exchange. Unauthorized alterations will result in billing for the entire cost of replacing the item.

2. Maintenance of Uniforms
   A. Each cadet is solely responsible for maintenance of their uniform.

      (1) **All issued items must be dry cleaned**, except for barracks bags, sweat suits, bedspreads, and OCP trousers/shirts.

      (2) The cost of replacing uniforms damaged through negligence or improper care becomes the responsibility of the cadet. **DO NOT WASH** uniforms in the washer and/or dryer. Uniforms **MUST** be dry cleaned.

      (3) OCPs should be neat in appearance but will not be form fitted.

      (4) Do not accept clothes other than your own from the cleaners. If the cleaners loses or damages any item, do not accept another item in its place. Instead, request the replacement cost of the item and report to the UDC for a new issue. UDC is not responsible for items lost or damaged by a dry cleaner.

   B. Uniforms requiring alteration or patch changes must be taken to the UDC. **All items must be dry cleaned when brought to the UDC for alterations.** The tailor will examine the garment and determine the alterations required.
(1) If alteration is not feasible and the garment is not damaged through negligence, the
garment will be exchanged at no cost to the cadet.

(2) Modification or alteration of cadet uniforms in a manner other than prescribed above
will be considered unauthorized, and the cadet will be assessed the full cost of
replacing the garment.

3. Uniform Exchanges

A. Clothing exchanges to improve the fit of the uniform are scheduled for new cadets during
FOW. Exchange is available for upper-class cadets on the last Friday of FOW. Following
FOW, exchange is available as required throughout the school year for all cadets.

B. All uniforms will be cleaned and free of stains prior to exchange.

C. All items of issue may be exchanged provided they are not damaged.
   (1) Shoes and boots may be exchanged if they have not been worn, polished, or tapped.
   (2) Worn headgear cannot be exchanged for another size. No summer headgear will be
       exchanged after FOW.
   (3) Socks, polished brass items (including belt buckles), belts, brass bags, and other
       expendable items cannot be exchanged or returned.

D. Do not exchange uniform parts within your unit. If the uniform does not fit properly,

4. Uniform Turn-In and Clearance

A. Upon withdrawal or graduation from the Corps of Cadets, each cadet is responsible for
returning issued uniforms to the UDC.

B. Cadets must turn in their uniforms within five (5) business days of leaving the Corps;

       exceptions without prior coordination with the UDC director.

C. The UDC will assess dry cleaning fees on any uniform items not clean when turned in.
   Charges are billed to the student’s account.

D. Students on Leave of Absence (Study Abroad, Internship, etc.) will retain their uniforms.

E. In order to clear the Corps, the student must clear with the UDC. Any cadet who leaves
   the Corps will be billed by the UDC for expendable items that cannot be reissued (e.g.;
   shoes, boots, hats, brass, OCPs, gloves, etc).
E. Students withdrawing from the Corps or the University must clear their uniform accounts by either a complete turn in or payment for items that do not meet the exchange requirements. This includes students who intend to return to the Corps in some future semester. Uniforms will be re-issued when the cadet returns to the Corps.

F. Senior cadets must clear their entire uniform account by turning in all issued uniform items to the UDC. Uniforms must be dry cleaned, serviceable, and turned in no later than noon on the Wednesday preceding Final Review with the following exceptions.

   (1) Senior Uniform turn-in timelines are published annually through the chain of command. All uniforms must be turned in prior to Final Review with the exception of one pair of gabardine boot pants and one Class B short-sleeved shirt.

   (2) May graduates may retain their midnight shirt and one pair of pink boot pants for graduation. Major Unit commanders must submit a roster of May graduates to Corps Staff NLT 10 April.
