The Corps of Cadets Mission:

The Corps of Cadets develops well-educated leaders of character prepared for the global leadership challenges of the future.

This brand guide establishes the standards for the Corps of Cadets brand usage and how it should be presented to internal and external audiences.

Everyone will adhere to this guide to ensure a consistent brand voice and design that enhances the mission of the Corps.

The Corps of Cadets brand guide follows the brand standards as set forth in the Division of Student Affairs and Texas A&M University brand guides. The Texas A&M University brand guide rules should be followed for any area that is not covered in this brand guide.

CORPS OF CADETS LOGOS

Consistency establishes trust. It is vital that Texas A&M Corps of Cadets stack be used in a consistent manner by all. Our stack must not be altered in any way. Any material or creative distributed outside of Texas A&M University must use the Corps stack in conjunction with the Texas A&M University Logo lock-up. The Corps of Cadets should only be referred to as the “Texas A&M Corps of Cadets” and the typography can be shown separate to the Corps stack. The Corps stack and “Corps of Cadets” typography should only be used internal to Texas A&M.

Gold Stack is for digital use ONLY! The gold Corps stack is not to be used on any printed materials.

CORPS LOGO GUIDELINES

Only approved logo artwork provided by Corps Media and Marketing will be used major units, outfits, and special units.

1. Don't distort, modify or remove elements from any of the official Corps logos provided by Corps Media and Marketing. Always scale proportionately. Examples of what not to do below:

2. When choosing a Corps stack logo for use, keep background and contrast in mind. The logo must always appear clear and legible.

3. Always allow for .3 inches of space around all sides of the Corps stack logo. Clear Space example denoted by area outside of red line:

4. Minimum sizes should never be under 1.5” w x 1.75” h

5. The Corps stack should never be shown smaller than additional logos on Corps branded materials (to include print and digital). EXAMPLE:
SPECIAL UNIT LOGOS

The Corps of Cadets has many special units with long-standing logos. These logos should never be used on their own for promotional products without Texas A&M Corps of Cadets typed adjacent to the special unit logo or the Corps stack proportional to the special unit logo. Any changes to special unit logos must be approved by Corps Media and Marketing.

OUTFIT LOGOS

OVERALL GUIDELINES:

Corps Media and Marketing will create and/or modify and finalize all outfit logos, with creative input from appropriate outfit leadership.

Adjustments and modifications to unit logos require approval. Outfit logo adjustment requests are approved first by your designated CTO, then by Corps Media and Marketing and finally by the Commandant.

Corps Media and Marketing will possess the final and official version of all major unit, outfit, and special unit logos.
EXTERNAL LOGO USE

If your outfit is hosting an event on or off the Quad, the Corps stack should be shown with your outfit logo on promotional items including apparel, flyers, and social media posts.

EXAMPLE:

If there is no mention of Texas A&M or the Corps of Cadets within your outfit’s logo, the Corps stack logo in any of the approved colors, “Texas A&M Corps of Cadets” or “Texas A&M” in text should be included. Choice between the three is based on your design preference.

*An alternative solution to this rule would be to redo the logo to include one of these elements.

EXAMPLE OF APPROPRIATE CO-BRANDING:
Besides consistent use of logos, another unifying visual component is consistent use of color. The university color palette was created to complement our signature color, Aggie Maroon™.

All colors shown are within the university colors. Only these should be used for Corps of Cadets materials.

Social Media Handles & Bios

To preserve and uphold each outfit’s personal brand, outfit social media accounts must use their official outfit name as their handle. Using the official outfit name and logo makes it easier for users to locate and interact with an outfit.

For example, Squadron 8 should use “Squadron 8” as their account username as opposed to “Outlaw 8”, in both the username and account name sections.

Outfits should also mention “Texas A&M Corps of Cadets” somewhere within their biography.

Outfit nicknames/mascots should be used in social media biographies only.
Best Practices for Social

1. Don’t use personal pronouns.
2. Tag other campus groups: Aggie Corps, TAMU, Commandant, etc. when appropriate to help increase exposure.
3. Follow accessibility best practices for social media: include alternate photo description (Alt Text) which needs to clearly describe photo and subjects in photo. Capitalize each word of a hashtag. When linking to another website use a descriptive tiny URL and clearly state where the link is taking them.
4. When reviewing comments and messages do not engage with negative comments or messages. If something needs to be addressed please alert Corps Media & Marketing. Comments can only be deleted if they are vulgar, profane or irrelevant to the post.
5. Post on all social channels regularly with timely content.
6. When creating a post, include a photo or video clip when possible.

Approved Hashtags

#AggieCorps
#TAMU
#GigEm
#BTHO Team We’re Playing or Event

Some hashtags are used per social media campaign. Those hashtags include:

#MajorUnitMonday
#GoingGlobal
All official photos & videos taken of the Corps of Cadets and their special units are captured, edited and stored by the Corps Media & Marketing Office. They are property of the Corps of Cadets and the Office of the Commandant (OOC).

Any third-party filming or shooting requests must be routed through Corps Media for approval. Any party that does not have OOC approval will be asked to stop project. Please note that some projects will need TAMU approval.

Copyright Clause & Use of Corps of Cadets Photo/Video

All official photos taken of the Corps of Cadets will include the Corps watermark and are stored for public access on Flickr.com.

To request photo/video assets captured by the Corps of Cadets, contact Matt Lamb at Matt.Lamb@corps.tamu.edu. Below are general guidelines for Corps of Cadets photo/video use and distribution:

- Photos/videos will be provided to you in final edited form & without the watermark, unless expressly stated otherwise. Do not edit or crop photos/videos provided in any way, unless you have been given approval from Corps Media & Marketing. These assets have already been edited to meet the standards of the Corps of Cadets, and should not be adjusted. (Additional editing will impact future requests.)

- Any assets provided by Corps Media & Marketing must be attributed to the Texas A&M Corps of Cadets.

- Corps of Cadets photos/videos will not be used to promote, sell or endorse any products/entities. Questions about this should be directed to Amy Thompson at Amy.Thompson@tamu.edu.
Media Release Form for Cadets

Cadets are required to sign a media release form at the start of every academic year. The form states that the Corps of Cadets and Texas A&M have the ability to capture cadets during official Corps events, on and off the Quad, and to use their image, voice and likeness to promote the Corps of Cadets and Texas A&M. Access media release here. Please note that any third-party filming may require an additional media release. Please contact Amy Thompson with any questions.

Videography Rules for Social Media

1. When shooting video content for a Corps social media page on your cell phone, please turn your phone horizontally. See below:

Yes / Right. Do it.  
No / Wrong.

2. Pay attention to your surroundings, background and audio (background noise and what others are saying).

3. Final video clips should not be overly edited and stay true to original version.

4. All clips posted should be no longer than 60 seconds.

5. Videos taken should properly represent Texas A&M and the Corps of Cadets in a good, positive manner.
